CLASS FORMAT AND ASSIGNMENTS

Students will be assessed via a learning contract, midterm and final assessment. Additional mentorship is offered as required.
SOCIAL WORK CODE OF ETHICS

Students enrolled in the Bachelor of Social Work program at Vancouver Island University are expected to comply with the social work Code of Ethics within the jurisdiction in which they are residing. In Canada, students are expected to have read and comply with the Canadian Association of Social Workers Code of Ethics located here: https://casw-acts.ca/sites/casw-acts.ca/files/documents/casw_code_of_ethics.pdf

Non-compliance with the Code of Ethics can result in discontinuation from the Bachelor of Social Work program.

PARTICIPATION

Presence, engagement and participation in this class is mandatory. Students are expected to follow the course outline and keep current with their weekly readings and assignments. Instructors are able to keep track of student progress in the course, and will connect with students who appear to be struggling to ensure that they can complete the course successfully.

In some courses, participation will be graded and students who have extended attendance issues may not be able to complete the course.

METHOD OF STUDENT EVALUATION:

The Social Work Practicum Evaluation (mid-term and final) will form the basis of evaluation for successful completion of the field practicum. The Practicum Evaluation will be based on the Student Learning Contract that all students are required to establish at the beginning of their practicum.

There will be two mandatory online seminars for students to attend that will be scheduled by the Faculty Liaison. The first will be focused on developing a Learning Contract and the second will be to address challenges and issues that pertain to the practicum process. Attendance and participation in these seminars are worth 5% of your marks towards SOCW 301.

Students are also expected to keep a process journal during their field placement. It is expected that the journal will be brought to supervision, evaluations and seminars to assist students in their description of practice challenges and opportunities for learning during their placements.

SOCW 380 will be graded on a pass or fail basis and is not included in GPA calculation.

Students are expected to review the following policy with respect to grade appeals: http://www.viu.ca/calendar/GeneralInformation/generalregulations.asp

HANDLING OF STUDENT WORK
1. Students are responsible for retaining a copy of all submitted work and for submitting all assignments by their due date. (please see late policy)

2. Every effort will be made to return assignments to students within two weeks.

3. Students can email the instructor to review and discuss their exams, assignments or course grade.

4. Final grades will be posted for each student to view on the course VIU Learn site and on their VIU Student Account.

DISABILITIES ACCOMMODATION

Students with diverse learning styles and needs are welcome in this course. In particular, if you have a disability/health consideration that may require accommodation, please feel free to approach me and/or Disability Access Services (DAS) as soon as possible. The DAS staff is available by appointment to assess specific needs, provide referrals and arrange appropriate accommodations. The sooner you let us know your needs the quicker we can assist you in achieving your learning goals in this course.

Students who have an existing disabilities accommodation must submit their documentation to the course instructor within the first two weeks of the course. Students who are seeking a disabilities accommodation must submit their documentation to their instructor as soon as it is completed. Students will meet with each of their instructors to discuss how their accommodation will be applied to the course content, online setting and the evaluation process.

LATE SUBMISSION OF ASSIGNMENTS/MISSED EXAMS: CONSEQUENCES

All assignments must be submitted on the date and time specified, and all tests are to be written on the date specified. The only time an assignment can be handed in late is if there is a medical or family emergency and it must be communicated to the instructor as soon as possible. A doctor’s note will be required for illness and must include the dates of the student’s incapacity.

A student is responsible for communicating any late submissions to the instructor, regardless of the reason.

If a student hands in an assignment late, a late deduction of 2% per day will occur up to 7 days. Papers or assignments will not be accepted after 7 days.

Extension requests for assignments will only be considered under exceptional circumstances. These include: death of a family member, prolonged illness, hospitalization or what would be deemed an emergency situation. Extension requests need to be submitted at least 24 hours
ahead of time. For illness or hospitalization, the student will be required to produce a doctor’s note that are specific to the dates of their incapacity.

There are no rewrites and therefore, no rewrite will be granted for papers with a low mark or failing grade. It is the student’s responsibility to understand the content and expectations of the assignments that are due. The instructor will provide outlines, marking rubrics, and overviews for the assignments. Meetings with the instructor are recommended and encouraged if a student is struggling with the content.

Requests for “make-up assignments”, “additional work” or “alternate assignments” for the purposes of increasing grades will not be granted.

**It is the student’s responsibility to monitor their progress** and access assistance/resources early on in the event of low marks or if it appears there may be a risk of not achieving the necessary grade required to fulfill program requirements. All grades are available on the course VIULearn site.

**Students are expected to keep a copy of all their work.** Therefore, losing assignments as a result of not having saved a paper will not be accepted as a reason for an extension. Computers/laptops crashing or breaking down as well as theft of computers from vehicles or homes will no longer be considered valid reasons for an extension request. It is suggested that students e-mail themselves drafts of their work at regular intervals or save draft copies of assignments on a disc or memory stick.

### GENERAL REGULATIONS AND STUDENT CONDUCT

Students are expected to review and adhere to the General Regulations and Student Conduct Code (Policy 32.05): [http://www.viu.ca/calendar/GeneralInformation/generalregulations.asp](http://www.viu.ca/calendar/GeneralInformation/generalregulations.asp)

Students are expected to review and adhere to the Faculty of Health and Human Services Policies and Procedures listed here: [https://hhs.viu.ca/faculty-health-and-human-services-policies-and-procedures](https://hhs.viu.ca/faculty-health-and-human-services-policies-and-procedures)

It is an expectation that students will have read the BSW Student Handbook in its entirety and understand its contents. The student handbook can be located here: [https://hhs.viu.ca/bachelor-social-work/bsw-student-handbook](https://hhs.viu.ca/bachelor-social-work/bsw-student-handbook)

**Academic Integrity**

**Academic integrity is expected of all students.** There are five values that underpin academic integrity (these are also consistent with professional social work standards): honesty, trust, fairness, respect, and responsibility. Please read through the Student Academic Code of Conduct policy ([www.viu.ca/policies](http://www.viu.ca/policies)) to ensure that you are aware of VIU’s expectations. Violations of the academic code of conduct will be taken seriously and acted upon according to this policy.
Plagiarism on papers is considered a breach of academic conduct and will be dealt with accordingly. A link to the VIU Academic Code of Conduct is included in the course outline. Please read it. If students have additional concerns or questions that come up for them throughout the duration of the course, they are encouraged to consult the instructor for clarification.

Submitting papers that are at an unacceptable level in terms of writing and organization are the student’s responsibility. If in the past, assistance was required with writing, it is strongly recommended that you be proactive early on to access assistance for this course. Links are provided for the Writing Centre at VIU and to the digital resource of Learning Matters. Learning Matters has excellent links to a variety of resources that can assist with studying, writing and researching.

Students will use APA referencing and formatting for all their academic papers. Not doing this correctly may result in deductions of marks (please see the rubrics for your assignments).

Respectful Behaviour and Communication

Students will exhibit professionalism and respect in their communication with both the instructor and their classmates. The online setting is easily misinterpreted, so be aware of how you write emails, post discussions and interact with one another in small groups or in online seminars.

Constructive feedback should not be taken personally, and if you are feeling upset or unsafe by something said or written or done online, please contact the instructor to discuss it further.

Any form of discrimination or harassment of your classmates or instructor will not be accepted.

Engagement with other students outside of the course itself, should also be respectful and professional. This includes discussion in student Facebook groups or on social media. Confidentiality is a key social work ethical principle and should be adhered to at all times in either online or face-to-face interactions.
